ST. EDMUND CATHOLIC SCHOOL

FOUNDED 1911

August 23, 2017

We have been recently informed of pictures involving St. Edmund Catholic School students. We would like to express gratitude to those who brought this to our attention. St. Edmund Catholic School in cooperation with officials from the Diocese of Lafayette is taking this matter very seriously. Upon completion of our ongoing investigation, appropriate actions will be taken. Racially offensive pictures are contrary to the values of the Roman Catholic Church and will not be tolerated in our school. As Pastor of St. Anthony of Padua and Chancellor of St. Edmund Catholic School, I deeply regret and apologize for the distress caused by this incident.
